ABIGAIL HOUSE CURRENT “COVID STATUS”

Staff at Abigail House is tested weekly for Covid. On 10/20, one employee tested positive for Covid. The employee will be out until cleared. Currently there are no positive cases at Abigail House. We will continue to test the staff and residents weekly. We are considered to be in Outbreak Mode until the County confirms we are not, for a minimum of 14 days.

For the most up-to-date status and any concerns, please call **856-365-8500**.

CURRENT VISITING POLICY DURING COVID PANDEMIC

Under certain special circumstances Abigail House may need to limit and /or restrict our visiting hours to help protect the community. In those situations, we will do our best to post an update on our website.

Following the CMS and CDC guidelines, currently Abigail House is restricted from allowing any visitations, including outdoor. Once Abigail House moves out of Phase 0 we will be able to go back to outdoor scheduled visits.
